GBP722TCKL

Introducing the GBP722TCKL Trailer and Cab Kit

Blind Rivet and Lockbolt installation kit designed especially for Truck and Trailer OEM's. The heart of the systems is our heavy-duty GBP722 installation tool along with various nose assemblies. This kit comes complete in a convenient metal tool case.

The GBP722TCKL kit contains the long 3/16" Lockbolt nose assembly needed to fix Kenworth and Peterbilts. Standard length nose assembly for 1/4" Lockbolts, 3/16" Lockbolt nose assembly for stainless steel grill bolts, a nose assemblies and 2 tips to install 3/16" and 1/4" structural blind rivets in any material for the hood and cab. A catcher bag for mandrels is also included. This kit will work on Freightliner, Mack and many other tractors. If additional nose assemblies are needed please contact us.
