742 SPIN-PULL-SPIN THREADED INSERT TOOL

742 SPIN-PULL-SPIN HEAVY DUTY PRODUCTION TOOL PNEUMATIC / HYDRAULIC

The mandrel spins to load insert, second it retracts to set the insert, and third it reverses automatically thus eliminating double strokes.

This is all done with a one button trigger !

This tool uses standard socket head screws for mandrels!

Max Capacity in Steel:

Thin-Wall 3/8-16 / Thick-Wall 5/16-18

Nose Assembly Not Included
