PROSET XT1 BLIND RIVET TOOL (76001-00003)

For 3/32", 1/8" and 5/32" Diameter Blind Rivets.

This compact, lightweight and reliable power tool will keep your production lines running at full speed. In it's class the ProSet XT1 is among the highest force-to-weight ratio blind riveting tools in the industry. The innovative ergonomic design ensures maximum comfort and efficiency. The robust rubber base is designed to prevent damage and the new lip seal technology maximizes re-priming intervals, along with piston rings that ensure long usage before maintenance.

Capacity: Up to 5/32" in all materials, standard and closed end blind rivets.

Weight: 2.58 lbs. Pulling Force: 1,461 lbs. Stroke: .71"

Standard Nose Pieces included: 3/32", 1/8" and 5/32".

Nosepiece	Part Number
3/32" Open-end rivets	PRN-314
